We Stay / Nos Quedamos cordially invites you to the first monthly Open House of the year on Thursday, February 27, 2020 from 6-8pm at our office, located at 754 Melrose Avenue, Bronx, NY 10451.

Each month during 2020, Nos Quedamos will host a monthly Open House to engage with community residents, local leaders, and activists/advocates in casual meet-and-greet networking sessions. Each monthly session will pivot around a thematic such as affordable housing, gentrification, the environment and land-use, culture & arts, social services, among many others. These family-friendly events will also be coordinated to help regional stakeholders bring issues of relevant concern to our attention in order to maintain an ongoing dialogue about the community as a means of safeguarding our quality-of-life.

Feb 27th session is dedicated to Quality of Life & Community Safety. Snacks and beverages served.
